ENERGY-STAR ELECTRIC APPLIANCE

Energy Efficiency Program & Rebates

Central Valley Electric Cooperative promotes the installation of ENERGY-STAR-rated electric appliances in homes and buildings.

PROGRAM CONTENT

CVE provides residential, commercial, and industrial members with a rebate on certain ENERGY-STAR-rated electric appliances.

PROGRAM PROVISIONS

Program Qualifications & Restrictions:

1. ENERGY-STAR-rated electric appliances must be installed in a permanent residence or building that CVE serves.
2. Members can purchase no more than two (2) of each ENERGY-STAR-rated electric appliance annually.

ENERGY-STAR-rated Electric Appliance Rebate

1. Rebate of forty percent (40%) of the cost for the listed appliances below (taxes and labor not included)
 - a. ENERGY-STAR-rated clothes washer
 - b. ENERGY-STAR-rated clothes dryer
 - c. ENERGY-STAR-rated refrigerator
 - d. ENERGY-STAR-rated freezer
 - e. ENERGY-STAR-rated dishwasher

PROGRAM RULES & GUIDELINES

- Must include a copy of a dated receipt for the ENERGY-STAR-rated electric appliance.
- Must provide the ENERGY-STAR-rated make, model, and serial number.
- All ENERGY-STAR-rated appliances must be brand new.
- Electric appliances must be installed in accordance with all applicable local, state, and national codes and ordinances.
- Electric appliances must be fully installed before a rebate will be issued.
- Members must apply for rebates within 90 days of installing the electric appliance. Rebates will be issued within 30 days of the approved application.

- Rebates will be given in the form of a check or utility bill credit.
- CVE does not guarantee a specific level of energy or cost savings from implementing or using products funded under this program.
- CVE is not liable for any damages caused by the operation or malfunction of the installed equipment.
- Rebates will be issued after an on-site verification by a CVE employee of the installed equipment has been completed.
- Rebates will be capped at \$75,000.00 annually for any one member. This amount applies to the combined total of all other CVE rebate programs.
- To receive the rebate, CVE members must be current (within 60 days) in the payment of their account(s).

A separate application must be submitted for every electric appliance.

PROGRAM FUNDING

Funding for this program comes from CVE's Renewable Energy and Energy Conservation Fund. Should this fund become deficient, the ENERGY-STAR-rated electric appliance rebate program will become inactive until such time funds are available.
