SMART THERMOSTATS

Energy Efficiency Program & Rebates

Central Valley Electric Cooperative promotes the installation of smart thermostats, to meet a home's comfort level while helping to reduce heating and cooling consumption.

PROGRAM CONTENT

CVE provides residential members with a rebate on the installation of eligible ENERGY-STAR-rated Smart Thermostats.

PROGRAM PROVISIONS

Program Qualifications & Restrictions:

1. The installation of smart thermostats must be installed in a permanent residence that CVE serves.
2. To qualify for a smart thermostat rebate, the home must be cooled by refrigerated air conditioning or heated with electric resistance heat or have a heat pump.
3. To be eligible for a rebate, smart thermostats must meet the specifications shown on the ENERGY-STAR website (<https://www.energystar.gov/productfinder/product/certified-connected-thermostats/results>).
4. CVE limits the purchase to one thermostat per CVE service address.

ENERGY-STAR-rated Smart Thermostat Rebate

1. ENERGY-STAR-rated smart thermostat rebates are forty percent (40%) of the thermostat cost (taxes and labor not included).

PROGRAM RULES & GUIDELINES

- Must include a copy of a dated receipt for the ENERGY-STAR-rated Smart Thermostat.
- Must include ENERGY-STAR-rated Smart Thermostat make, model, and serial number.
- Smart Thermostats must be brand new.
- Smart Thermostats must be installed in accordance with all applicable local, state, and national codes and ordinances.
- Smart Thermostats must be fully installed before a rebate can be issued.

- Members must apply for rebates within 90 days of purchasing the ENERGY-STAR-rated smart thermostat. Rebates will be issued within 30 days of the approved application.
- Rebates will be given in the form of a check or utility bill credit.
- CVE does not guarantee a specific level of energy or cost savings will result from implementing or using products funded under this program.
- CVE is not liable for any damages caused by the operation or malfunction of the installed equipment.
- Rebate will be issued after an on-site verification by a CVE employee of the installed equipment has been completed.
- Rebates will be capped at \$75,000.00 annually for any one member. This amount applies to the combined total of all other CVE rebate programs.
- To receive the rebate, CVE members must be current (within 60 days) in the payment of their account(s).

PROGRAM FUNDING

Funding for this program comes from CVE's Renewable Energy and Energy Conservation Fund. Should this fund become deficient, the Smart Thermostat rebate program will become inactive until such time funds are available.
