

# Beyond the Wire

Central Valley Electric Cooperative, Inc.

## Member Appreciation Event a Success

On October 9, Central Valley Electric Cooperative hosted a member appreciation event to celebrate National Cooperative Month.

We had a great turnout and enjoyed getting to visit with members about the different programs and services CVE has to offer.

Thank you to all the members and employees for making this a great event.

Daylight Saving  
Time Ends

# Fall Back

**Sunday, November 3**

[www.CVECOOP.org/youth-tour](http://www.CVECOOP.org/youth-tour)

Keep Your Holidays

**MERRY &**  
**BRIGHT**

Don't add stress to your holiday season. Knowing how to properly use and hang lights could prevent injury or fire.

Make sure your home's electrical system can handle the load.

Unplug lights or decorations before changing a bulb or other parts.

Do not use cords or plugs that are damaged, frayed or cracked

Only use lights certified by a reputable testing lab.

In addition, consider LED lights when replacing old light strands. LEDs use 80 to 90% less energy than incandescent bulbs.
